

Types of Titles

TRICK

6 levels of standard trick titles. 5 levels of Masters. Certificates, ribbons and rosettes.

CANINE CONDITIONING

Practice strength, flexibility, balance and coordination. Levels 1-4 + Champion.

STUNT DOG

Continuous routine of set tricks. Live or unedited video. 7 levels.

ANIMAL ACTORS

Get listed on Animal Actors database. 5 levels.

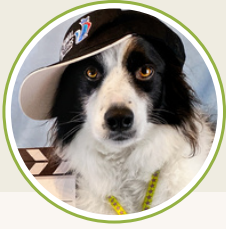

SPECIALITY

Several fun titles to suit all ages and capabilities. New titles released periodically.

Apart from the fun Speciality titles, the levels in each type of title need to be submitted consecutively. There's no option to skip a level. If your dog passes the same level in Trick + Canine Conditioning + Stunt dog, they will become a Triple Crown holder. You can purchase a pdf certificate to be emailed to you for printing or go for it to be printed professionally and posted to you (worldwide). Ribbons, rosettes are also available as extras.

Become a Triple Crown Holder

TRIPLE CROWN 1 (TC1)

GRAND CHAMPION

Prerequisite: Champion. See pdf application form for criteria.

You don't need to submit your for your certificates individually, can do them all at once or in batches. However you can't jump levels: have to purchase Novice - Advance before or together with your Expert order. I can evaluate Novice - Expert free of charge and happy to give advice on Champion and Grand Champion applications, but you'll need to submit those to DMWYD staff for official assessment.

Masters Trick Titles

NOVICE MASTERS (NTD-M)

30 Novice level tricks.

They must be Novice tricks, and not other levels.

INTERMEDIATE MASTERS (ITD-M)

20 Intermediate level tricks.

ADVANCED MASTERS (ATD-M)

10 Advanced level tricks.

EXPERT MASTERS (ETD-M)

10 Expert level tricks.

CHAMPION MASTERS

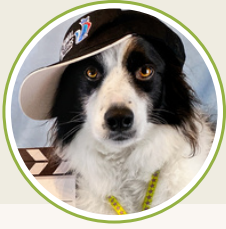

101 tricks in total.

Prerequisite:
Expert Masters
and Trick Dog
Champion.

*Each Masters title **must be earned consecutively** (can't jump a level), and each Masters title may be earned only **after earning the corresponding standard trick title**. So for Advanced Masters, you need to have passed Advanced Trick Dog as well as Intermediate Masters.*

Masters Champion is launching in May 2023.

Canine Conditioning Titles

CCF1 Level 1

Complete the 15
exercises
specified.

CCF2 Level 2

Complete the 15
exercises
specified.

CCF3 Level 3

Complete the 14
exercises
specified.

CCF4 Level 4

Complete the 14
exercises
specified.

CCFCH Champion

Demonstrate 14
exercises to high
standard.

Levels 1-4 don't need to be perfectly done to qualify for a title: I need to see that you understand the optimal form and you are striving to achieve that with your dog. If a particular exercise is not suitable for your dog because of health or age, let me know and we can find an alternative. As with trick titles, Canine Conditioning titles have to be submitted consecutively, you can't skip levels.

Animal Actors Titles

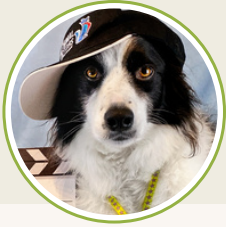

Photo Shoot (AA1)

This level credentials your animal to work on set posing for magazines, product packaging, etc.

Actor (AA2)

This level certifies the animal to work on a motion set environment with other actors.

Film (AA3)

The animal is certified as set-trained to act alongside other actors in any feature film or commercial.

Leading Role (AA4)

Has the drive and advanced training to perform a variety of behaviours and to learn new skills quickly.

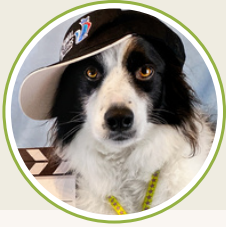

Professional (AA5)

Awarded to animals who have proven themselves by performing up to expectations on a professional set.

As with trick titles, Animal Actor titles have to be submitted consecutively, you can't skip levels. Credentialed animals are added to the online registry which includes their photo and the owner's contact details, allowing productions and animal acting agencies to find and hire the animals. This is most useful in the US, but skills learned and demonstrated through the programme will be invaluable for all budding talents across the world.
